§ 741.0 Scope.

The provisions of this part apply to federal credit unions, federally insured state-chartered credit unions, and credit unions making application for insurance of accounts pursuant to Title II of the Act, unless the context of a provision indicates its application is otherwise limited. This part prescribes various requirements for obtaining and maintaining federal insurance and the payment of insurance premiums and capitalization deposit. Subpart A of this part contains substantive requirements that are not codified elsewhere in this chapter. Subpart B of this part lists additional regulations, set forth elsewhere in this chapter as applying to federal credit unions, that also apply to federally insured state-chartered credit unions. As used in this part, “insured credit union” means a credit union whose accounts are insured by the National Credit Union Share Insurance Fund (NCUSIF).

Subpart A—Regulations That Apply to Both Federal Credit Unions and Federally Insured State-Chartered Credit Unions and That Are Not Codified Elsewhere in NCUA’s Regulations

§ 741.1 Examination.

As provided in Sections 201 and 204 of the Act (12 U.S.C. 1781 and 1784), the NCUA Board is authorized to examine any insured credit union or any credit union making application for insurance of its accounts. Such examination may require access to all records, reports, contracts to which the credit union is a party, and information concerning the affairs of the credit union. Upon request, such documentation must be provided to the NCUA Board or its representative. Any credit union which makes application for insurance will be required to pay the cost of such examination and processing. To the maximum extent feasible, the NCUA Board will utilize examinations conducted by state regulatory agencies.

§ 741.2 Maximum borrowing authority.

(a) Any credit union which makes application for insurance of its accounts pursuant to Title II of the Act, or any insured credit union, must not borrow, from any source, an aggregate amount in excess of 50 per centum of its paid-in and unimpaired capital and surplus (shares and undivided earnings, plus net income or minus net loss).

(b) A federally insured state-chartered credit union may apply to the regional director for a waiver of paragraph (a) of this section up to the amount permitted under the applicable state law or by the state regulator. The waiver request must include:

(1) Written approval from the state regulator;

(2) A detailed analysis of the safety and soundness implications of the proposed waiver;

(3) A proposed aggregate dollar amount or percentage of paid-in and unimpaired capital and surplus limitation; and

(4) An explanation demonstrating the need to raise the limit.
